9	10	11 Presentation Night 7pm	12	13 Kinder Orientation 9-3pm Reptile Safety Workshop	14 Intensive Swimming

Welcome to Week 6 as we now look towards the back end of the term.

Last Wednesday, the students from Mullaley had the opportunity to travel to Boggabri and participate in their Obstacle activities day. From speaking with students it was an extremely fun day which provided them with yet another chance to establish and build friendship groups within the wider school communities. I would like to thank Boggabri Public School for inviting our students along for the day and organising a number of different activities to keep everyone busy. Additionally, I would like to thank the Mullaley P&C who covered the cost of each student.

Yesterday morning we held a special assembly in which the Year 5 students who were running for school captain were able to present their speeches. Congratulations to the nine students who stood up in front of their peers and parents and presented their own individual speech outlining why they would

make a great school captain and what the role meant to them. I wish all students the very best of luck, with our 2019 school captains being named on presentation night.

Next year, we will be establishing a Student Representative Council (SRC) with one student being elected from each year group (Years 2 – 6) to take part. These students will be the voice of their respective year group and will provide feedback from their peers in addition to having a voice in regards to school planning and future directions. The named SRC members will be announced at our presentation assembly.

Today our Years 3/4 and 5/6 students will be heading into Gunnedah South Public School to listen to Luke Kennedy a motivational speaker. This opportunity would not be possible if it wasn't for the organisation of Gunnedah High, Gunnedah Public and Gunnedah South who have covered the cost of bringing Luke out to Gunnedah.

Planning for 2019 has started, with some important developments that will affect our staffing for next year. The school will continue to operate three classes to support student learning. Ms Madeleine Birkett will be employed three days a week next year to support this structure.

Next year Mr Greg Cummins will be continuing his leave for a further six months with Mr Todd Walker continuing in his role. Mrs Crawter will continue working in the office four days a week similar to this year. An announcement will be made early next year with the days in which our office will be manned.

Class organisation and compositions will be tabled at the P&C meeting on Tuesday 4th of December with further information being sent home with that week's newsletter.

Enjoy the week ahead.

Benjamin Carter
Principal

Bookclub
Brochures were sent home earlier this week.
Orders due back at school by Wednesday next week.

**91-Story Treehouse Performance
Tamworth, Monday 3rd December**
Buses will be departing the school at 8:45am for the 10:30 performance at the Capital Theatre in Tamworth. Students are to take their recess and lunch with them on the day. Tickets have been pre-purchased. For those students who indicated they would not be attending - there will be supervision at school on that day.
