Welcome to Week 7 and what is now the pointy end of the term. Though the school year is winding down to a close, I would like to remind students and parents that they are required to be at school until the 19th of December.

On Monday, students will be heading off to Tamworth to watch the 91-Storey Treehouse live stage performance at the Capitol Theatre. This should be a great experience for the students as many students have been avidly reading the series.

On Tuesday, Tambar Springs Public School will be joining us for lunch and in the afternoon to take part in a combined School Christmas Service. Any members of the wider school community who wish to join us for this service are more than welcome.

Over the last few weeks, students have been busily preparing and practicing for the Carols

in the Park on the 7th of December in Gunnedah in addition to the Presentation Night on the 11th of December. Judging by the sounds emanating from the classroom on a Friday the students as a collective are working towards a great performance which will be great to hear and watch.

Enjoy the week ahead.
