Welcome to Week 10, and the last week of Term 3. It is hard to believe that we are rapidly approaching the end of yet another year.

Last Friday, the School Captains, James and Charlotte joined me in attending the 150 years assembly at Carroll Public School. We were honoured to be invited to help the staff and students celebrate this fantastic achievement. Looking through the historic displays it was a great opportunity to see how education has changed and adapted over the years. Congratulations to the school community of Carroll for your devotion to public education throughout these years.

Today, students participated in our "Rocket Day" whereby they designed and created their own water bottle rockets. Some designs were well executed and thought through, whilst some required on going repairs and modification. This was a fun way to finish off our whole school science unit of work.

This week we will have students attending the Boggabri Public Speaking and Speakfest competitions on Wednesday and Thursday respectively. Both of these competitions allow students to develop the skills in preparing and presenting both a planned and impromptu speech. I wish all students the

best of luck for their speeches, and remember the mere fact that you are participating already shows that you are a winner.

For those families that are travelling these holidays, stay safe on the roads. Enjoy your break and we look forward to students returning on Monday 14th of October refreshed, recharged and ready for the term ahead.

Enjoy your week and the break ahead.

Principal

School Buses - Don't forget buses will not be running tomorrow and Thursday (unless requested).

Share Our Space

These spring holidays send your kids back to school! And join them! We're opening our gates to the community as part of *Share Our Space*, from Monday 30 Sept to Friday 11 Oct., 8am-5pm. Please come along with your families to enjoy the grounds, tennis courts, the open space and the play equipment. The spaces will be cleaned regularly, and there are security services in place to keep the grounds in good shape.
