Welcome to Week 9.

Last week and earlier this week, we have students out of school participating in a range of activities. Last Friday we had a large contingent of students attend the North West Area Athletics Carnival. All students who participated in this event should be extremely proud of their efforts and through their participation in their respective events, they are all winners.

Congratulations to Charlotte Craig, Georgia Rose, Eamon Martin, and Chas Jaeger who all have proceeded to NSWPSA State Athletics for the relay and additionally high jump and long jump for Charlotte. This is a fantastic effort and we look forward to avidly watching your events on the NSW School Sport YouTube channel.

Yesterday, students from Years 3 – 6 attended the Woolworths Cricket Gala Day held in Gunnedah. Despite the weather and its subsequent early finish, all students have stated that they enjoyed their day and the short games that they were able to play.

Students this week are busily working on their speeches in preparation for both the Boggabri Small School Public Speaking and Speakfest next week. Some of the speeches

I have been lucky enough to hear have been thoroughly entering and insightful. I look forward to hearing more speeches this week and next.

Enjoy your week ahead.

Benjamin Carter,  
Principal
