Welcome to week 10 of Term 3! It has been a wonderful experience seeing all of the students return to school this week after four weeks of learning from home. All students have come back into school with a smile on their face and have had a wonderful time catching up with their friends and teachers. I would like to congratulate all students and parents for their resilience over the learning from home period, and for the amazing effort and dedication you all have put into ensuring the students of MPS continue to have access to an education. I would also like to say a massive thank you for all of the staff at MPS. You have shown amazing flexibility transitioning from face-to-face to home learning over a short period of time, and have spent much time still preparing lessons, supervising children, and ensuring that the students are pushed and challenged in their learning.

Due to the unexpected learning from home phase, the original Staff Development Day on the 18<sup>th</sup> of August was rescheduled for this Friday the 17<sup>th</sup> of September. Students are not to attend school this day as no supervision will be provided.

I hope you all have a restful holidays. We look forward to seeing you all in Term 4!

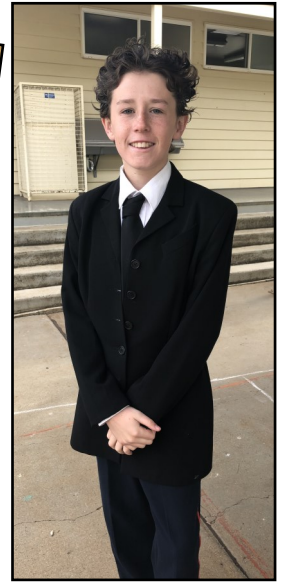

Madeleine Birkett  
Principal
