2 May	6	7 Life Ed (no van)	8 Soccer Gala Day	9	10 Boys/Girls Soccer Trials

Dear students, parents and Community

I hope you have all had a wonderful Easter break and feel revitalised as we begin to head in to the final two weeks of Term 1.

Over the next two weeks, the Hunter New England Dental Van will be attending the school site. Hunter New England is providing an essential service to our community in the form of dental checks. Parents and carers are welcome to attend to keep their child company during this visit, however, parents have been getting contacted in regards to their child/rens dental health post visit if unable to attend.

Besides having the Dental Van visit, school time has been focused primarily on literacy and numeracy lessons and ensuring that

programs are getting wrapped up, assessments finalised, and teachers analysing data to prepare for Term 2.

As we near the end of the term, I would like to make special mention of the high rates of attendance that are shown across the whole school. Having students continue to attend school at these rates is essential for their education. I would like to remind our community to engage with the Compass app if your child is unable to attend school and to state the reason they are away. We have been directed to follow absences up the same day as students are away, and the use of the app makes a huge difference.

I hope you have a wonderful remaining two weeks of Term 1.

Madeleine Birkett

K-2 and 3-4 Easter hat creations

Winners of the tallest, fanciest and most sustainable Easter hats.

5-6 Easter hat creations

Parents, please send in a teddy bear with your child/ren for Friday 12th April for the Teddy Bear's Hospital. Year 5-6 are not required to bring one in but can if you wish to.

A reminder to parents, to please send back the Family Occupation and Education Index (FOEI) form that was sent home last week. This is due back next Tuesday, 9th April.

“Don’t forget to brush your teeth, gums & tongue, after breakfast & before bed
