Welcome to Week 10, and our second last week of Term 1 with students concluding this term on Friday the 12th of April. Students will return on Tuesday the 30th of April for the start of Term 2, with teachers returning on Monday the 29th of April.

Yesterday our Year 3 and 5 students had their first look at the trial Online NAPLAN practice test in preparation for their NAPLAN Online tests next term. These tests are merely designed to allow students the opportunity to familiarise themselves with the new test format and their results are not viewed or checked by the school or department, similarly they are not stored anywhere. If parents have any questions or concerns about the NAPLAN Online practice test or the tests next term, please feel free to contact me through the school.

Tomorrow we have our students from Years 4, 5 and 6 competing in the Anne Singleton Netball Cup. The students have been busily practicing during lunch times, we wish these students the very best of luck for the day.

We have been fortunate enough for a couple of our Year 5 students to be accepted into the Gamilaraay Language and Culture Camp to be held at Lake Keepit next Wednesday and Thursday. Ms Birkett will accompany the students throughout the two days whilst they learn about and experience the Gamilaraay language and culture.

Additionally next week we have students representing our school at the Coal Mine Workers Rugby League Cup in Gunnedah next week and at the NSW State Swimming Championships. More information will be in next week's newsletter about these two events.

Finally, I would like to invite any and all Mullaley Public School friends and family to our School ANZAC Service to be held next Friday. Ms Birkett and school leaders will be running the assembly service, following which a complimentary morning tea will be provided to all attendees. I look forward to seeing you all there.

Enjoy the week,

Benjamin Carter
Principal

Warren Davies

"The Unbreakable Farmer"

Warren's authentic, inspiring and sometimes confronting
presentations are filled with take home strategies
developed from his business and life journey. His message
is simple and so very important at a time when stress is
seen as normal and depression is commonplace.
