Welcome to Week 9. This week students and staff have had the opportunity to engage with a unique opportunity to participate in a motivational talk by Jack Wilson "The Deadly Ninja" and Will Smith current NRL player for the Parramatta Eels. Following their talk, Jack put all our students through their paces in their own little Ninja Obstacle Course.

Staff were treated on Tuesday afternoon to a talk by Jack, as part of their final Connecting to Country Course. Jack's talk covered issues and topics including culture, identity and the process that he undertook to become an Australian Ninja Warrior competitor.

On behalf of the students and staff of Mullaley Public School, I would like to thank the Gunnedah Local AECG for providing our students and staff with this opportunity to participate in fantastic opportunities like this. If any Aboriginal members of our school community are interested in joining the Gunnedah Local AECG, they meet on the Thursday of Week 2 each term.

As mentioned in last week's newsletter, students in Years 3 and 5 respectively will be participating in NAPLAN Online practices as of next week. If you have any questions relating to this process, or about NAPLAN Online in general, please feel free to contact Mr Carter at school.

Enjoy the week ahead.

New everyday lunchbox products in a shop near you

Did you buy any new everyday snacks this week?

Kids love variety and there are always new products available. But sometimes marketing and health claims can make choosing everyday foods very confusing.

Why not try:

- Air popped popcorn
- Mini rice bites
- Roasted fava beans
