Welcome to Week 10 and our final week of Term 2. This term has absolutely flown by filled by multiple opportunities for our students to display their own given talents and skills both inside and outside the classroom.

On Thursday, student reports will be issued providing feedback on your child's achievement during Semester 1. An achievement of a "C" indicates that your child has a sound working knowledge of the content that has been covered throughout the semester and is working where they should be. Their effort in how your child approached their learning is the singularly most important aspect as this indicates how resilient they are to new learning ventures and their willingness to "have a go" at all learning tasks.

As always, if you have any questions regarding your child's report, please feel free to come and speak to me. Parent teacher interviews will be held in Week 2 and 3 of Term 3. A note with all available times will be sent out Week 1 next Term.

This Friday, students will be participating in the Small Schools Athletic Carnival in Gunnedah. This is the first year where this will be held at Donnelly Sporting Fields and will also include students from Boggabri Public School. The importance of this day is for all students to have a go and enjoy themselves remembering the ethos "participation is winning".

Finally, just a reminder that students will be returning on Monday the 22nd of July following the school holidays. The staff development day has been moved to Wednesday the 21st August to align with AGQUIP.

Enjoy your holiday break, and I look forward to seeing everyone next term.
