Welcome to Week 2. All students and staff got off to a great start for the term with various learning opportunities for all students and staff commencing and our school cross country and book parade/fair on Friday.

Yesterday our Year 6 students engaged in collaborative learning with their age peers from schools around Tamworth at the GRIP Leadership Conference. Students participated in different activities all based around building and developing their skills and capacity as a leader.

Today, our Year 6 mixed netball team is competing in the TAFE NSW Netball Competition in Tamworth. We wish these students the best of luck, for their games today and we look forward to hearing of their results.

This week we also have two students heading off to the Young Leaders Out West (YLOW) camp at the Warrumbungles Environmental Centre. Though it is predicted to be quite cold over the next few nights, I am sure that the

students will enjoy themselves camping out under the stars.

Next week our students in Years 3 and 5 will be participating in the NAPLAN Online. I would like to remind parents and students that this is a snapshot in time assessment and plays no part in determining their academic or achievement grade at school. If you have any questions or concerns regarding NAPLAN Online or the process please feel free to contact Mr Carter through the school.

This week is also our last week of our uniform transition period of summer uniform to winter uniform. As of Monday, all students will be required to be in full school winter uniform. If you require assistance in relation to uniform or other school based costs, please feel free to contact Mr Carter through the school.

Enjoy the week,
