Welcome to Week 8. Schools are constantly a hive of activity for students and teachers alike. I would like to acknowledge our hardworking staff this week as they balance report writing, proofing, preparing lessons and engaging with ongoing professional learning both in and outside of school. In addition to this, they are constantly coming up with new ways to engage and excite our students.

This week also saw the start of our new fence building take place. It is projected that the fence should be completed by Friday, weather permitting. During this time, I would like to remind parents and students to be mindful of the construction zones that have been indicated by the orange barricade tape.

Last Friday, Mullaley had the honour of hosting the North West Area Cross Country Carnival which saw hundreds of people pass through the school gates. The feedback that we have received so far has been positive and all the credit for this goes to our hard working P&C, staff and students for their efforts in the lead up to the event and even on the day. I know I have mentioned this before but without the efforts and assistance of the school community, we would not be able to successful events such as this.

Over the last few weeks we have seen a spike in illness through the school. I would ask that if you have an ill child that you please refrain from sending them to school. An ill child will not learn effectively and will also pass on the illness to other students and teachers.

Enjoy your week ahead.
