Welcome to Education Week and Week 3. This week is Education Week and it is an opportunity in which we celebrate our students and their power to shape the world. This year's theme is "Every student, every voice", and at Mullaley Public School we strive to ensure that all of our students have their opportunity to shine and have their voices heard. This Friday, our students will be heading into Gunnedah to participate again in the Namoi Partner School's Education Week Award Ceremony. This is our opportunity to acknowledge and celebrate people's commitment to public education.

This week is a busy week again for our students with our Year 6 mixed netball team travelling to Inverell to participate in the next stage of the Schools Netball Knockout Competition on Wednesday. On Thursday, our Year 6 debating team will be taking on Spring Ridge Public School in their next debate. Following on from the experiences of last week's competition day, our students are primed and ready to showcase their talents in front of a home crowd. We wish all students

the very best in their respective events and wish them the best of luck.

I would also like to congratulate Charlotte Craig on her selection into the National Primary Athletics Trials to be held in Sydney on Thursday. This is a fantastic achievement and we wish her the very best in her high jump events on the day.

As a collective we are all extremely proud and impressed with all of our students' achievement in each of their ventures.

Next week we head off on our whole school excursion to Canberra and the snow. I would like to thank Mrs Lush for her hard work in organising this great opportunity for our students and I am sure that it will be a lot of fun for both students and teachers alike.

Those students not attending the excursion may contact a local school for their child to attend. Those not attending school will have their absences marked as 'unjustified'.

And finally, just as a reminder that Wednesday the 21st of August will be a pupil free day for

our Term 3 staff development day. The school bus service and the school will not be operational.

If you have any questions or concerns relating to the excursion or the change in our staff development day, please feel free to contact the school.

Enjoy your week ahead.
