WEEK 4 Term 4, 2019

Week	Monday	Tuesday	Wednesday	Thursday	Friday
4	4 Kids Kitchen (no morning tea)	5 Scripture	6 State Athletics Mrs Crawter at course 12-3pm	7 State Athletics	8 Intensive Swimming/ Sport
5	11 Kids Kitchen (no morning tea) Mrs Crawter at	12 Conference in Tamworth	13	14	15 Intensive Swimming/ Sport (swap over)

Welcome to Week 4. This term is certainly moving along now with great speed and scarily enough the end of the year is fast approaching. As always, our focus this term is continuing to be on student learning and ensuring that all students are equipped with the necessary skills to assist them in their next phase of learning.

This week, Charlotte, Eamon, Georgia and Chas will be representing both Mullaley Public School and the North West School Sports Association at the NSW State Athletics Carnival in the Nigel Bagley Small Schools 4x100m relay. Additionally Charlotte will also be competing in the long jump and high jump events. The NSW School Sports Unit will be live streaming all track events on their YouTube channel and all of our students here at school will be watching with keen interest their race tomorrow morning around 9:50am. Where possible the School Sport Unit will be live streaming different field events throughout today and tomorrow on their Facebook page. We wish our students the very best of luck for their events.

Next Friday (15th November), students who are participating in either tennis or archery/ indoor hockey will be swapping sports for the remainder of the term. This is to ensure that all students have the opportunity to

experience both sports and learn/develop new skills. A note will go home next week to remind students and parents of this.

On Tuesday the 19th of November, our budding school captains for 2020 will be presenting their speeches at a morning assembly from 9am. We would like to invite all parents and community members to attend this special assembly.

With the warmer weather now upon us once again, hats and water bottles are a must. Students are reminded frequently that they need to wear their school hats, however it is something that they need to manage themselves. If your child has lost or misplaced their hat and require a new one, please contact the school to purchase a replacement.

Enjoy the week ahead.

Benjamin Carter
Principal

Family Occupation & Education Index (FOEI)

Please return to school by this Friday 8th.

Rock Climbing, Jumping Castle & Water Games - Boggabri 21st November

Please return the permission note, lunch order and money by next **Wednesday 13th November**.

Letter from Kevin Anderson

Dear Community members

I am well aware the impact of this unprecedented drought is heavy, but there is an opportunity for assistance available next week with Namoi Unlimited coordinating some new drought support activities.

There are five locations identified for these events next week:

- 11 November – Nundle Bowling Club
- 12 November – Walcha Memorial Club
- 13 November – Gunnedah Services Club
- 14 November – Roxy Theatre Bingara
- 15 November – Quirindi RSL Club

Upcoming Dates

Tuesday 3rd Dec: **P&C Meeting 3:15pm**
Tuesday 10th Dec: **Presentation evening 7pm Mullaley Hall**

There will be three elements to these events:

1. From 10am to 2pm drought support assistance and people will be available at these locations to talk about and assist people with the support that is being provided to help people through this drought.
2. From 10am to 2pm Councils, LabourCo and Roads and Maritime Service will be on hand to talk about the opportunity for casual work in your community.
3. From 9am and throughout the day Namoi Unlimited are preparing to hold important courses in these towns which will also assist in finding casual work, or can be for current workers to upskill. Because the training is subsidised, and if you meet the short eligibility criteria then there will be no charges for the training.

The training on offer in these locations is: First Aid, White Card (needed if you want to work in construction) and a new course called #WTF – What's the Future about how to look at your business, some support mechanisms and individual assistance like resume writing.

People will need to complete the registrations in each location with the training providers. You can do this at the website www.namoiunlimited.nsw.gov.au/projects/skills-training/ or email at info@namoiunlimited.nsw.gov.au and you will be directed to a training provider.

This is an excellent opportunity for people across the Namoi region and with the support of the Councils and other agencies I hope this will provide assistance to people dealing with this current drought.

Feel free to distribute this to other businesses and friends.

Kind regards

Kevin
