Welcome to Week 6, we are now over halfway through the term.

Yesterday, we held our School Captain assembly where we were fortunate enough to hear speeches from our budding 2020 School Captains. All students who presented should be extremely proud of their efforts in writing and presenting their speeches. Our School Captains will be announced at the Presentation Night Assembly on the 10th of December.

Last week, we were notified that Eamon, James, Georgia and Isobel were successful in being selected to attend the Wish Upon a Star initiative this Friday. The Wish Upon a Star initiative is a joint project between the Department of Education, Office of Sport and Transport for NSW to provide students from drought affected areas the opportunity to leave the drought behind them for a few days. Our students will travel from Tamworth to the Broken Bay Sport and Recreation Centre on the Central Coast, where they will be hosted for the weekend and enjoy games and other seaside activities, in addition to attending the Schools Spectacular.

This is a fantastic opportunity for our students, and I would like to thank all

organisations involved for their generosity in providing this unique experience.

The planning for next year regarding class sizes, class structures and teaching staff is still ongoing and will be presented at our next P&C meeting on Tuesday, 3rd December.

Enjoy your week ahead.
